Gracefully walking

Snail Races

There never is a slower pace
 than snails competing in a race.
 On your mark, get set and go.
 The one that's way ahead is slow.
 The one that's far behind is slower.
 Most snails are more stop than go-er.

Perhaps there are no slower tales
 than races made up of such snails.

The Tiger

Tiger, tiger, burning bright
 In the forests of the night,
 What immortal hand or eye
 Could frame thy fearful symmetry?

In what distant deeps or skies
 Burnt the fire of thine eyes?
 On what wings dare he aspire?
 What the hand dare seize the fire?

And what shoulder and what art
 Could twist the sinews of thy heart?
 And, when thy heart began to beat,
 What dread hand and dread feet?

What the hammer? what the chain?
 In that furnace was thy brain?
 What the anvil? what dread grasp
 Dare its deadly terror clasp?

When the stars threw down their spears,
 And watered heaven with their tears,
 Did He smile His work to see?
 Did He who made lamb make thee?

The Plot on a Pallet display must represent an identified 4' x 4' segment from a garden illustrated on an accompanying A3 scale garden plan. Materials, plants and products used must be life size; it is not the creation of a miniature garden.

The full garden plan, to be drawn to scale on A3 paper size, as if for presentation to a client, **must** clearly show the section constructed on the pallet. These plans will be displayed on a board alongside the completed pallet during the Show. The plan should represent a full garden site, either imaginary or for a real client. This plan carries 40% of the judging marks. It must be submitted with the 4'x4' segment marked clearly in red ink and be laminated for outdoor display during the Show.

Each Plot on a Pallet will be displayed behind a rope barrier to prevent visitors touching the exhibits. It is essential that all materials, artefacts and plants are safe and secure within the display with no risk of accidental collapse or injury to visitors or Show staff. Beside each exhibit there will be a display board for the A3 plan plus exhibitor information sheets or leaflets. No other promotional material may be displayed on or around the exhibit.

Exhibitors are encouraged to use this as a high profile marketing opportunity. The drawing should include Company details. Leaflets directly connected to the Exhibitor and the display may be handed out during the Show days from the plot site. Company portfolios may be shown to visitors and potential clients but not used as part of, or detract from, the Plot on the Pallet display.

There will be a 1m space to the side of the 'plot on a pallet' to allow for the exhibitor to staff the display.

Each Entry will receive - two 2-day Exhibitor Passes; one Show Day Vehicle Pass and two pre-show Vehicle Passes
